Product Feature

Heavy Duty Shell Construction

High Grade 550Mpa Steel Plate used for operator confidence. Built to handle the hard knocks of everyday use.

01

Talk to Us 03 5519 9732

28-30 Peck Street, Hamilton VIC 3300

02

Extra Thick Pitman Arm Construction

Beefed up pivot arm plate thickness. Designed to take the hard forces of grabbing and grading.

Heavy Duty Side Plates

No corners cut here. Extra thick plates welded into side plates for wear protection. High grade plate for long service life.

03

04

Protected Hydraulic Hosing

Hoses routed behind hitches. No wasted time with cut or burst hoses.

Integrated Pickup Hitches

Hitches integrated into bucket structure for high strength.

05

06

Polyurethane Marine Grade Paint Finish

Not your average paint. We believe in quality finishes, and polyurethane paint is definitely one of them. Look the goods every single day.

500 Brinell Oversize Cutting Edges

We won't settle for what everybody else does. We make our pickup lugs from thick, high-grade plate that will last the distance. So you don't have to.

07

100% Australian Made and Fabricated

100% Manufactured by Sturgeon Equipment in our Hamilton Facility to the highest quality standards. Only Aussie Made!
