

MULTIGRAB ST MINI | Ag

Loader | 20-50 HP

The MULTIGRAB LT Ultimate combines the performance of a bucket and grab in a single tool. Perfect for raking up large limbs and trees, removing stumps and shrubs, sieving rocks and debris, and much more. Featuring high grade steel plate and ladder frame construction, the design is engineered to handle every load on your property. With the option of either ECO350 High Tensile Teeth or XD450 Abrasion Resistant teeth — there is the MULTIGRAB available to suit your exact requirements. As always, 100% Australian Made and covered with a 4-Year Structural Warranty.

01 Tough 10mm ECO350 High Tensile Teeth

ECO350 Teeth are the match for light to medium timber and scrub work. The high tensile grade means no bent teeth and the perfect attachment for everyday cleanup tasks.

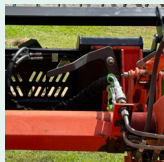

03 Large opening range

Convert your compact tractor into a multi-tasking workhorse. With a large opening range of 900mm from tip to tip, there won't be much you can't get a grab on.

05 Heavy Duty Integrated Hitch

No off the shelf hitch pickups used here. We cut our own. Perfectly integrated and reinforced - you can have confidence in your attachment.

07 Locally made hydraulic cylinders

Locally Made and supported Hydraulic Cylinders. Made tough for harsh operating conditions and easily serviceable with parts available from local suppliers.

02 HD Reinforced Greaseable Pivots

Yes, even on our small attachments. We engineer all pivot points right so they are reliable for years to come.

04 Full width rear protection

A broken hose or a damaged loader pickup is wasted time and money. Fabricated from heavy gauge steel plate, this protection will never fail an operator.

06 Parking Stand

Simply designed parking stand included with every short tine MULTIGRAB. Making storing and moving your grab around when not in use simple and easy.

08 100% Australian Made and Fabricated

100% Manufactured by Sturgeon Equipment in our Hamilton Facility to the highest quality standards. Only Aussie Made!
