Heavy Steel Tube Construction

High Grade thick steel tube and plate used for operator confidence. Built to handle the long days on the job.

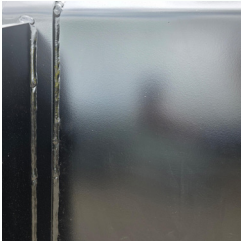

Integrated Hitch Pickups

Profile cut pickup plates from thick high tensile steel plate. Built tough to handle the heavy loads.

Locking Swivel Lifting Hook

Locking swivel lifting hook fitted as standard. Made for easy lifting operations. Snap it open and closed.

Polyurethane Marine Grade Paint Finish

Not your average paint. We believe in quality finishes, and polyurethane paint is definitely one of them. Look the goods every single day.

100% Australian Made and Fabricated

100% Manufactured by Sturgeon Equipment in our Hamilton Facility to the highest quality standards. Only Aussie Made!
